Welcome to the 2022–2023 Act One School Series.

At Wharton Center, we are always looking for ways to make our programs more accessible. Knowing that ticket prices are often a barrier to attendance, we are thrilled to announce that all tickets for all shows will be one dollar beginning this year. That's right, one dollar for any ticket!

Additionally, through the generosity of our patrons and funders who expressly donate to make participation accessible, Wharton Center is able to continue funding to assist schools with bus subsidies. We are indebted to them for their support and for making this new initiative possible.

At this writing, we are again optimistic about the pandemic receding and the country returning to something that resembles normalcy. Regardless, we all have been through a tough time over the last two years. As we recover, this is an excellent opportunity to bring your students to Wharton Center to see the Act One School Series and experience the live performing arts to learn, engage, and renew everyone's spirits. This is where the performing arts excel and we hope for you to be a part of it.

Thanks so much, and we will see you at Wharton Center!
